EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Please add "Prior Art" to figure 3.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art, either alone or in combination, does not disclose or render obvious a method for producing a fiber optic coil including the step of applying the optical fiber to a winding body in a quadrupole winding pattern in successive winding layers so that the turns of the individual winding layers have, at irregular spacings, as large a number of crossover points as possible in combination with the rest of claim 7.

The prior art, either alone or in combination, does not disclose or render obvious a fiber optic coil including an optical fiber being applied to the winding body in directly successive winding layers in a quadrupole winding pattern with a plurality of irregularly-spaced crossover points in individual winding layers in combination with the rest of claim 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
